

Atlantic Geology

Volume 52 (2016) - Table of Contents

Articles

- 1–19 Redescription of tetrapod trackways from the Mississippian Mabou Group, Lepreau Falls, New Brunswick, Canada. *Matthew R. Stimson, Randall F. Miller, Spencer G. Lucas, Adrian F. Park, and Steven J. Hinds*
- 21–35 Reassessment of vertebrate ichnotaxa from the Upper Carboniferous ‘Fern Ledges’, Lancaster Formation, Saint John, New Brunswick, Canada. *Matthew R. Stimson, Randall F. Miller, and Spencer G. Lucas*
- 37–59 Field relations, age, and tectonic setting of metamorphic and plutonic rocks in the Creignish Hills – North Mountain area, southwestern Cape Breton Island, Nova Scotia, Canada. *Chris E. White, Sandra M. Barr, Donald W. Davis, David S. Swanton, John W.F. Ketchum, and Peter H. Reynolds*
- 119–124 *Megapezia longipes* Willard and Cleaves 1930 from the Pennsylvanian Rhode Island Formation of Massachusetts: ichnotaxonomic status. *Patrick R. Getty*
- 125–167 Geochronology and lithogeochemistry of granitoid rocks from the central part of the Central plutonic belt, New Brunswick, Canada: implications for Sn-W-Mo exploration. *Reginald A. Wilson and Sandra L. Kamo*
- 169–187 The Litchfield pluton in south-central Maine: Carboniferous alkalic magmatism in northern New England, USA. *David P West, Dwight Bradley, and Raymond Coish*
- 189–210 Precise U-Pb ages for the cogenetic alkaline Mount LaTour and peraluminous Mount Elizabeth granites of the South Nepisiguit River Plutonic Suite, northern New Brunswick, Canada. *Zeinab Azadbakht, Christopher E.M. McFarlane, and David R. Lentz*
- 211–222 Fossil crinoids from the basal West Point Formation (Silurian), southeast Gaspé Peninsula, Québec, eastern Canada. *Stephen K. Donovan, and David G. Keighley*
- 223–236 Silurian crinoids of the New Brunswick Museum, Saint John, Canada. *Stephen K. Donovan and Randall F Miller*
- 247–255 *Bifurculapes* Hitchcock 1858: a revision of the ichnogenus. *Patrick R. Getty*

Abstracts

- 61–102 Atlantic Geoscience Society: 41st Annual Colloquium & Annual General Meeting 2016
- 103–117 Geological Association of Canada Newfoundland Section: 2016 Spring Technical Meeting
- 237–246 Atlantic Universities Geoscience Conference 2016: 66th Annual Conference, October 27-29
- 257 *List of Reviewers for Volume 52*
